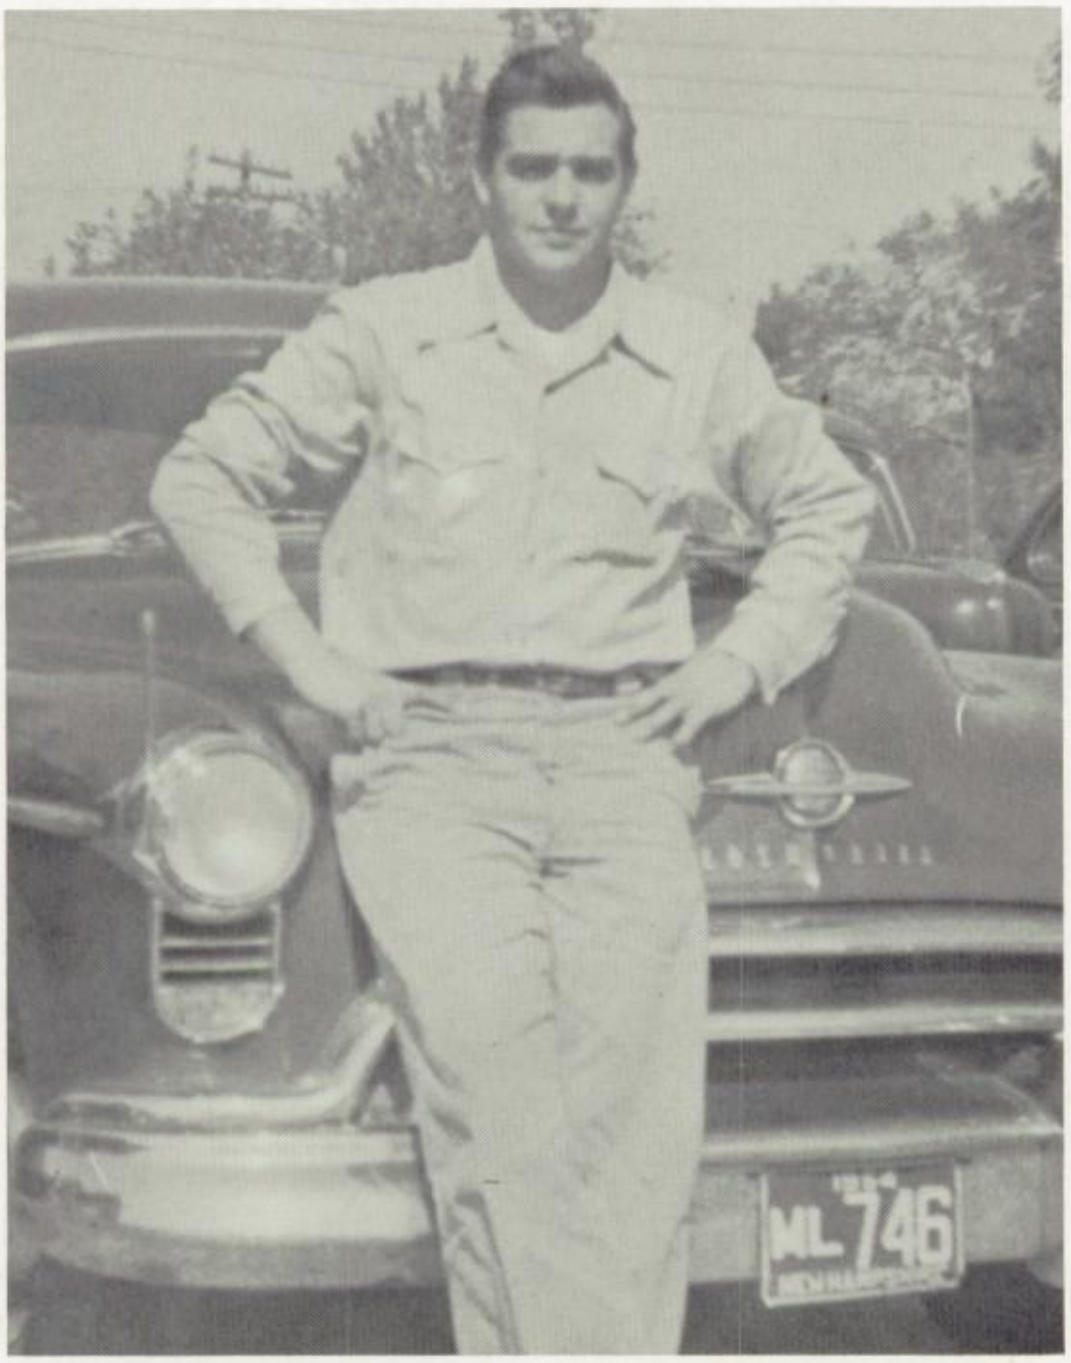
Editorial

We, the Class of 1956, are happy to present to you, our readers, the largest yearbook to emanate from the the N.L.H.S. We are especially proud of this fact because we are the smallest class in the history of the school. In spite of our size, we have concentrated on a united effort and feel that co-operation in a small group can be very fruitful and successful.

We have made several changes in the "Exodus" which we think will improve it. We hope you will enjoy it as much as we enjoyed compiling it.

John Buttrick

In Memoriam



Bill Mitchell

We like to think that our Junior class president is having a prolonged vacation. Posthumously we give him our respect and admiration, as a true leader and a loyal classmate. When Bill was in our presence, there was never a dull moment or a sad face. He will always have a place of esteem in our heart.

To the Members of the Class of 1956:

May I extend congratulations to each of you as you complete your secondary education. Graduation signifies an accomplishment--not easily or quickly attained--and brings with it a personal satisfaction in seeing a job through to completion.

You enter a society beset with many problems. However, the opportunities for advancement and achievement are great. There is still no easy road to success and good fortune usually comes in the degree and measure to which it is sought.

I hope that each of you will look back with pleasure and satisfaction upon your high school experiences. May you always maintain an interest in the activities of the school.

Sincerely yours,

Gordon B. Flint

Superintendent of Schools

To the Members of the Class of 1956:

Yours has been a small class, which has given you many problems not encountered by the larger classes, but this fact alone has done much in preparing you for your future work. You have learned the necessity of cooperating with your classmates and accepting responsibilities as individuals in order to carry on your many class activities. At times you have seemed discouraged and have been ready to call it "quits," but you always have found that inner strength so necessary to carry through to completion any activity you have started.

We hope you will look back at your days spent at New London High School as some of the best and happiest days in your life. You will go in many directions when you leave here and it is our hope that we have played at least a small part in preparing you to make the many choices so necessary for a successful and happy life.

We are proud of you and we will miss you, but we wish you success in whatever you attempt when you leave us.

Sincerely yours,

R. J. Livingston

SECOND ROW: M. Hersey, J. Buttrick, Mr. Leighton ADVISOR, M. Patten, R. Pellerin.

Working on the Exodus consumed much of the time of the Senior Class this year. Selling magazines, ads, and sponsorships to help finance the yearbook and setting it up to meet the deadlines required lots of time and work. We also visited U.N.H. as a group, put on the Senior Play and a dance, and finally reached the goal we have long been looking forward to with mixed emotions-graduation.

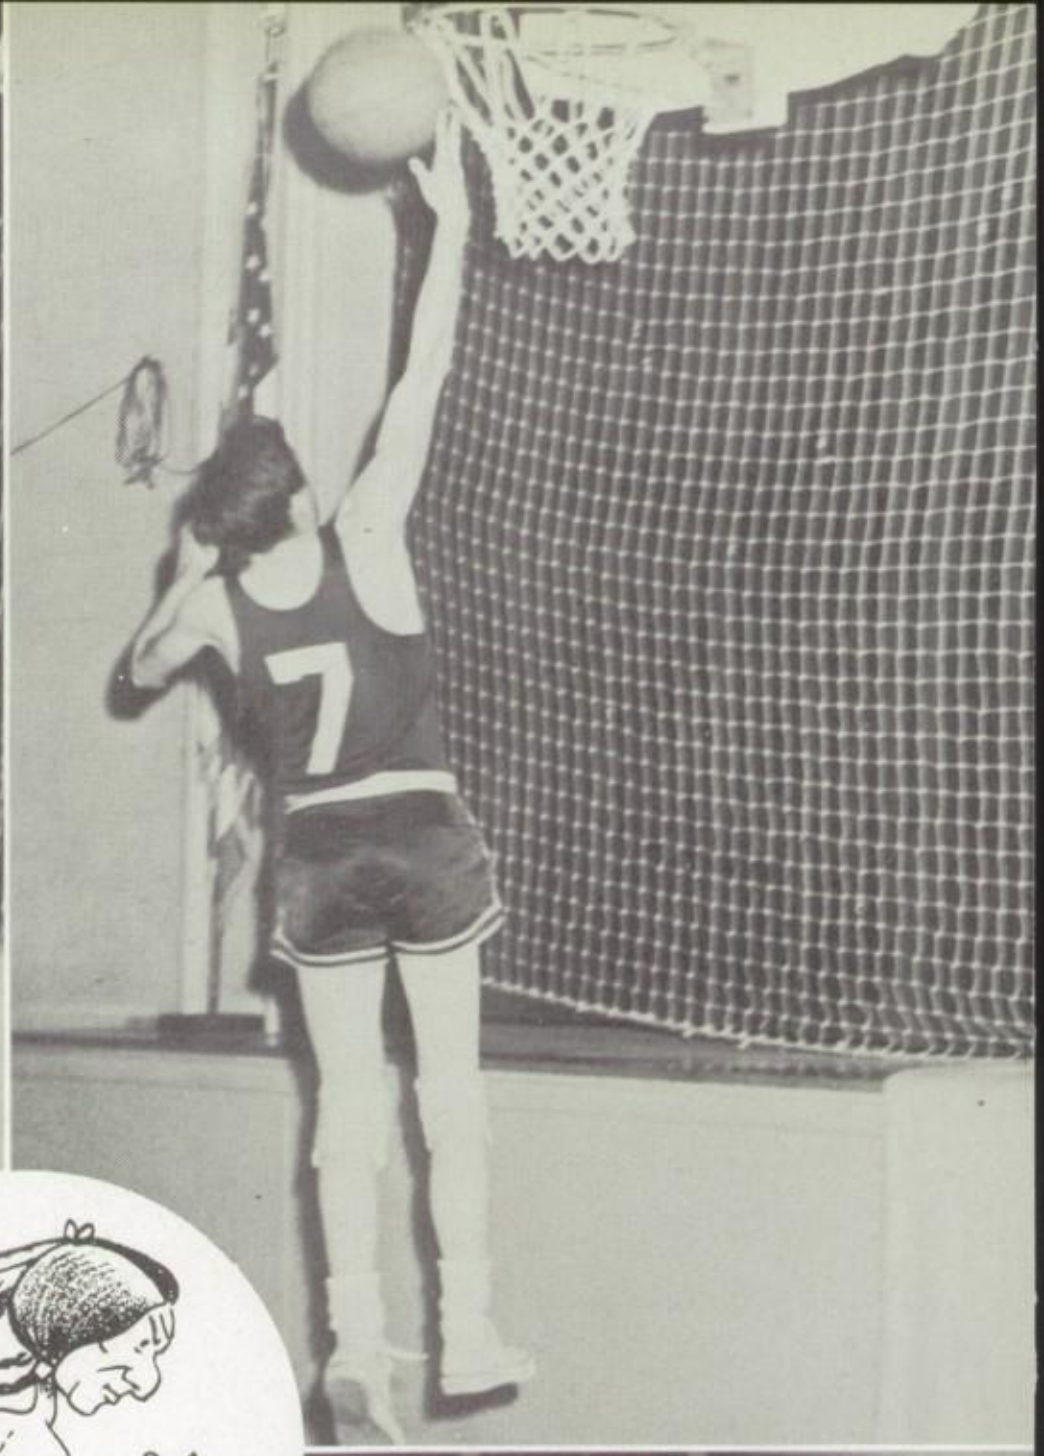
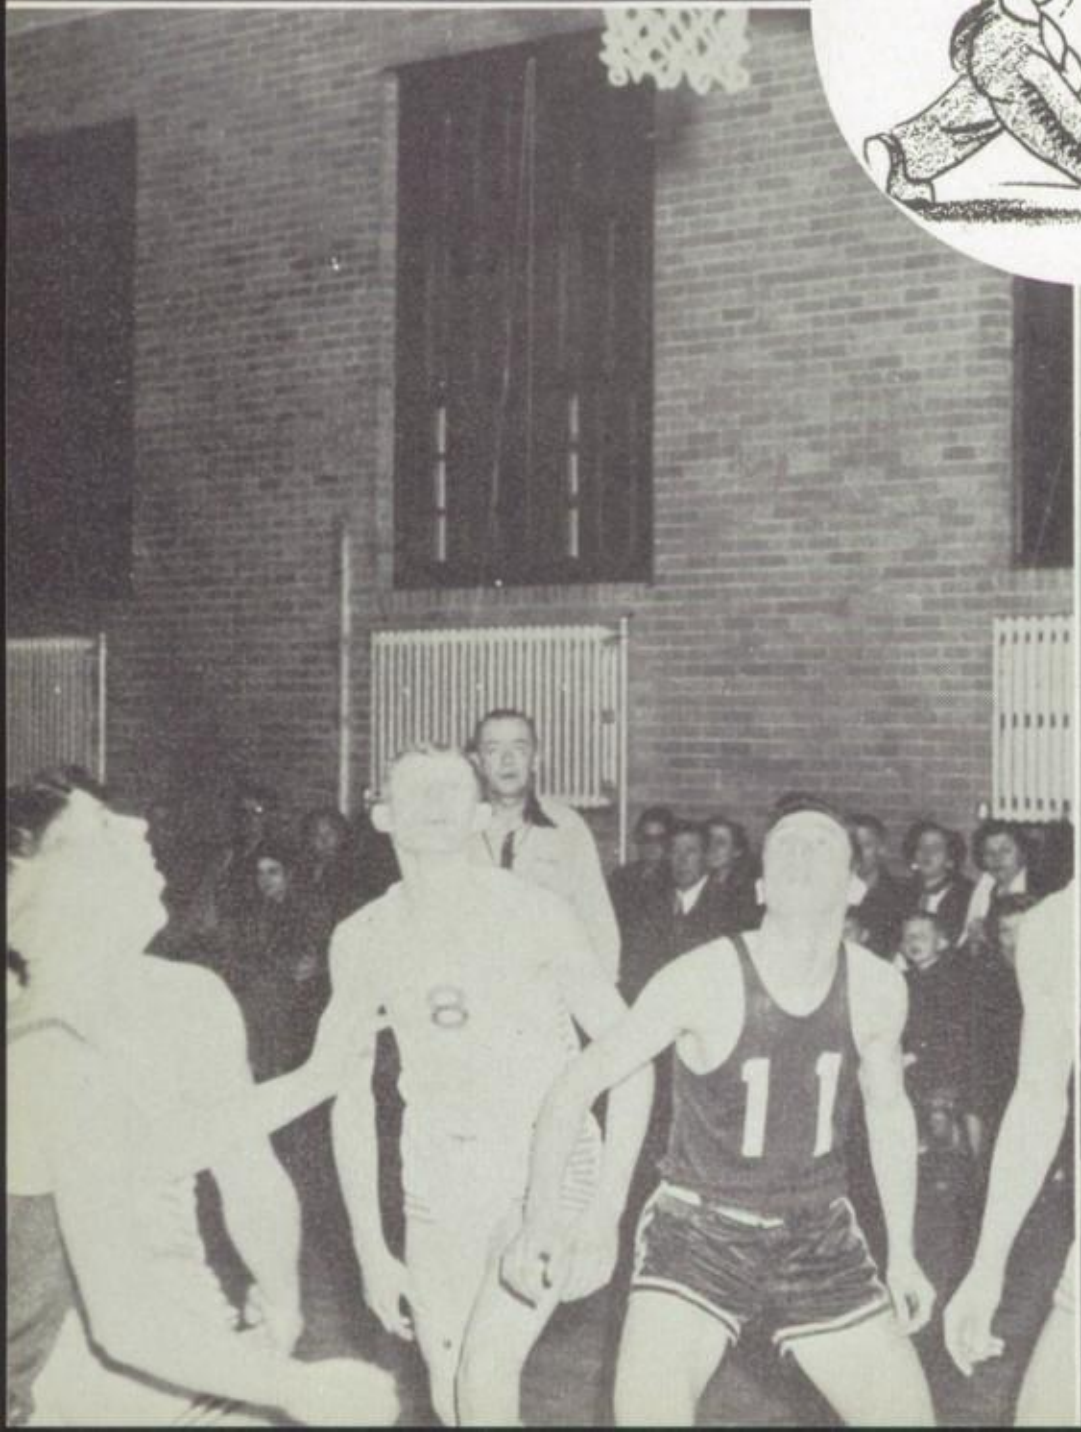
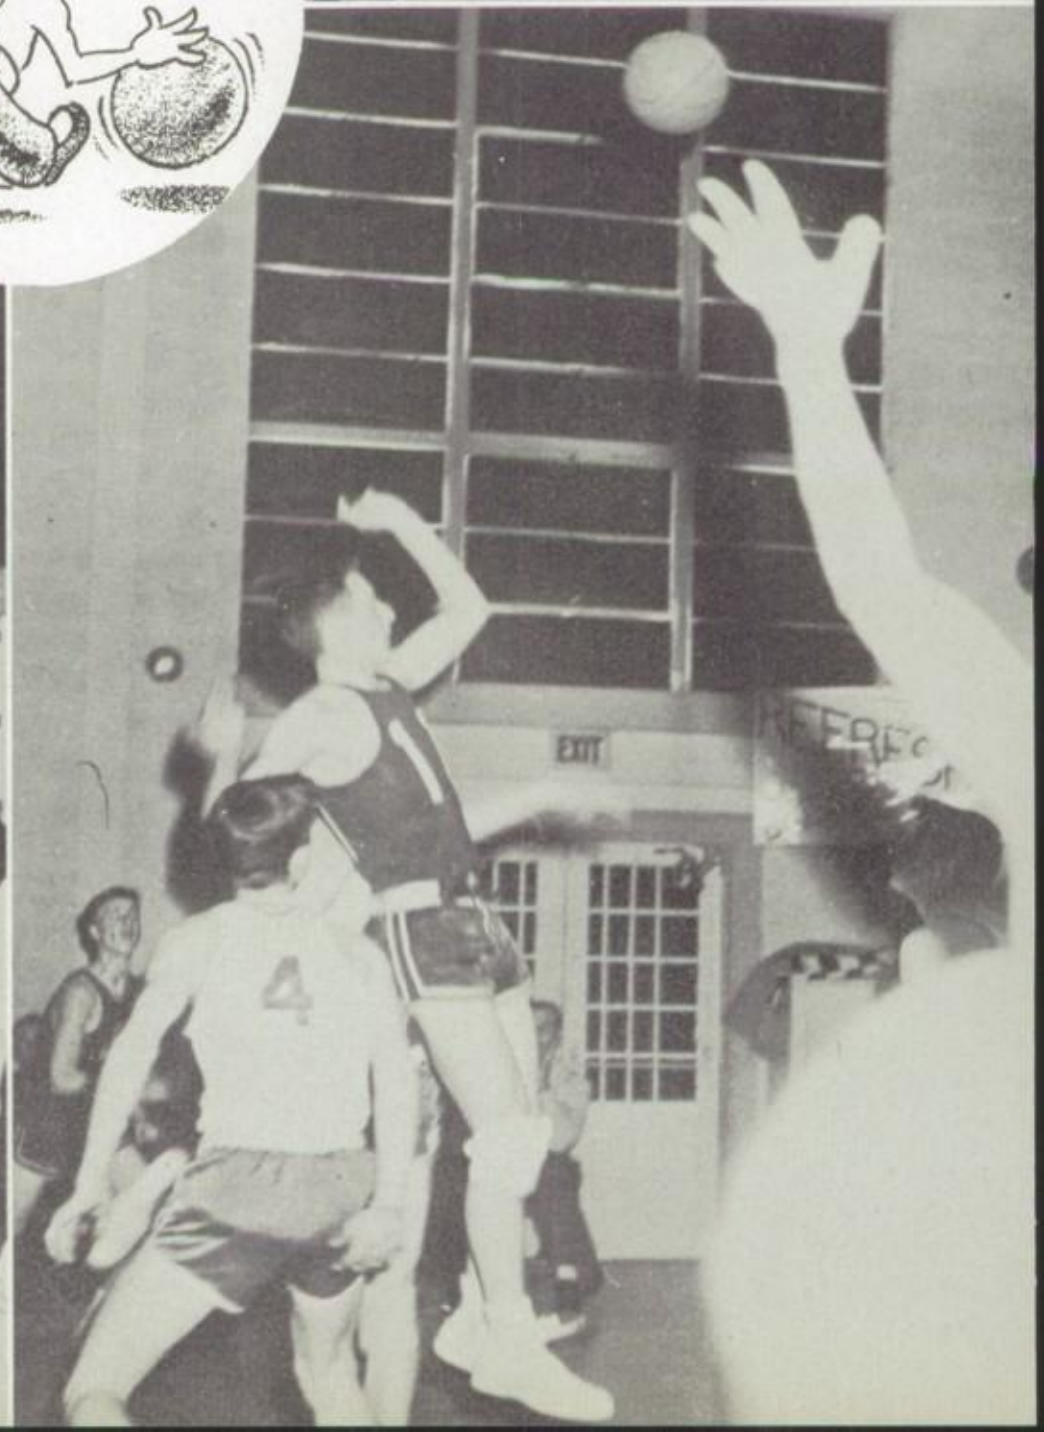
The girls' team displayed good teamwork and fine sportsmanship throughout the basketball season under the excellent coaching of Mr. Bailey.

The greatest handicap of the "Bobbettes" was inexperience! Although they lost eight of their twelve games, they gained much experience which will benefit next year's team.

A million thanks to Coach Bailey from his fourteen girls and "Pink"!







Boys' Basketball

FRONT ROW: J. Buttrick, E. Hurd, B. Barrett, J. Woodward, J. Queen, C. Hein. SECOND ROW: Mr. Hill (COACH), R. Wright, D. Dean, D. Palmer, L. Rowe, D. Heath, S. Lull, M. Patten (MANAGER).

The boys' team improved over last year's record and the outlook is encouraging for next year with only one senior graduating from this year's team: John Buttrick, one of our stalwart forwards.

The boys showed hustle, win or lose. Although they were sometimes outscored, they were never outfought. They lost several close, heartbreaking games and won the enthusiastic support of their many fans. Plaudits are in order to Mr. Hill, our fine coach, who did a good job of molding our players into a very effective team and to our able manager, Malcolm Patten.

As this goes to press, the team has reached the finals of the Keene Invitation Tournament with wins over Merrimack and Marlboro. They face Walpole for the title.

The baseball team of 1955 had a very successful season. We won all but one game in League play and lost two to Enfield outside of League play. As a result of winning these games, New London was awarded the Granite League Championship.

We then met Andover at Bristol, a neutral field, where Andover won a very tight game.

This was the first time in several years that New London has won this award.
